Homecoming

The Senior Float--Homecoming 1965

Homecoming celebration started with a chili supper sponsored by the pep club.

The snake-dance formed at the schoolhouse after the chili supper and went through town and back to the school.

After everyone got back the "H" was lit and a pep rally held.

Homecoming day arrived and everyone had the spirit of the day. The day started with the parade

at 12:00. Then the main event, the game, began. At the half-time the queen and king were crowned. The queen and her attendants were presented with flowers.

The dance had black streamers with red devils and balloons. It had a bell at one end and the music at the other. The bell was for the king and queen to sit in. Everyone had a good time.

Playing Bingo

The annual CARNIVAL was held September 29th in the school gym. People spent the evening playing bingo, throwing darts, and walking in the cake walk. The fish pond was especially appealing to the younger set.

As a finale to the evening the king and queen of the high school and grade school were crowned at 10 o'clock.

The children enjoyed the fish pond.

Dancing at the Ball

On the night of the 19th of November a loud noise was coming from the north end of town. THE HARVEST MOON BALL was in full swing. The Ball was sponsored jointly by the FFA and FHA. Music was by the Fugitives. After you opened the door, you were in an air of excitement and teenagers having fun. On the inside of the building you got the idea of a barn. It had blue and gold streamers with pumpkins and corn shocks on them. Straw bales surrounded the band and corn shocks, pumpkins, and gourds were scattered around the chairs.

THE SENIORS
PRESENTED
"The Perfect Idiot"
a farce in three acts on Friday, November 12, 1965. Frank Conroy played the role of Dan Tennyson, a young genius who was not a social success because he talked above the heads of the others. He wants to go to college, but his parents will not let him until he makes a few friends.

He agrees to help Alousius (Puff) Witonski, Park Wood, a star athlete succeed scholastically if his classmates: Carla Carlson (Lorna Brimmer), Jeanie Wilson (Luern Fort), and Linda Barnard (Donna Grubb) will make him a social success. His parents (Wilma Stinson and David Neiman) spring a surprise on him; he can go to college, but now he does not want to go because he is in love with Linda Barnard. After making a "perfect idiot" score on the entrance test Dan is quickly certified for college entrance.

Supporting roles were played by Mike Johnson as Jackie Tennyson, Wanda Raber as Rhodora the maid, David Willson as Walter P. Latherby, Joe Wood as School Principal, Laurel Bartlett as a Teacher, Jerry Collins as police officer, Gayle Grant, as reporter, and Doug Perkinson as psychiatrist.

An appreciative audience witnessed the Junior Class Play, "Finders Creepers", on Thursday, February 15. In this three-act mystery-comedy, Rick Hanson as Hercules and Phil Neiman as Wilbur played the leading roles superbly. The supporting cast did an excellent job. Judy Redding as Daphne the maid, Gene Hughes as the caretaker, Gaylerd Mahoney as a mortician, Bev McAmis as his wife, and Evva Lynn Hauber and Mary Pannell as his daughters all did a fine job. Terry Miller played Mr. Quigley, a man of wealth. His sister was played by Anita Morris and his niece by Peggy Terhune. Steve Cronce as his lawyer seemed very interested in his will. Bruce Brimmer played the soft-speaking Dr. Brown.

The building of a class float for the homecoming parade was the first major venture of the Sophomore Class (The Class of '68). With some crepe paper, napkins, and a lot of hard work Mr. Griffin's Volkswagen was transformed into a skunk. The float won first place in the parade.

Our candidates for carnival queen and king were Mildred Swartz and Eddie Svoboda.

Money-raising projects included the sale of pens, sponsoring the movies, and the sale of paperbacks.

Centerpiece

A festive holiday air was added to the Annual PTA Christmas Dinner held Thursday, December 7, when it was necessary to have a candlelight dinner. (The transformer failed and had to be replaced)

The committee in charge did a splendid job with decorations and the dinner. Turkey with all the trimmings was complemented with many side dishes brought by the members. The dinner was well attended. It was served in the school lunchroom.

A program of group singing Christmas carols, and a pantomime by Mr. Ford and Mr. Watne rounded out the evening's entertainment.

The PTA President, Carp McAmis, goes through the serving line.

The dinner was a family affair with families going through the line as a group.

Everyone enjoyed singing the Christmas carols.

Class History

On September 4, 1962, 25 green Freshmen entered Hulett High School. Seeing that we were in the Class of 1966 we decided to make the best of it.

We enjoyed presenting "For the Love of Pete" as a class play.

During the year, Fred Hartzell moved to Sequoia National Park.

Our Freshman float won first place in the Homecoming Parade.

Our carnival queen candidate was Sherry Pehringer, her escort was Frank Conroy.

On our sneak we went to Robay Lake, Spearfish and area.

When roll was taken at the beginning of our sophomore year, we found we had lost Denny Coker, Roger Wood, Sherry Pehringer, and Linda Preszler, and gained Chris Crossland from New Mexico.

Class Favorites were Roger Rathbun and Donna Grubb.

The officers for this year were: President, Frank Conroy; Vice President, Wilma Stinson; Secretary, Lorna Brimmer; Treasurer, Patty Mahoney; Reporter, Luern Fort.

The Sophomore Float for homecoming won first place.

For our sneak we went to Robay Lake again but because of an accident we didn't stay long.

We started our junior year having lost Chris Crossland and Vance Svoboda. Doug Engebretson came to us from Belle Fourche.

Baccalaureate Services were held on May 15. Commencement was on May 17 with special speaker, Bill Baker from the University of Wyoming.

Class Prophecy

In 1976 our gossip columnist finds this bit of interesting information, concerning the class of 1966.

We see Lorna Brimmer and Roger touring the rodeo circuit, it's a two-person act, with Roger holding her hat.

Laurel Ann Bartlett is now working as an Entertainment Coordinator for the United Mine Worker's Union.

We find Donna Grubb proposing to all male movie stars in France--doing poorly as usual.

Luern Fort we find is following General Custer's footsteps. The only difference is that she is fighting kids.

Louise Stull is presently on the Island of Bongo Bongo trying to make Copenhagen out of pineapple leaves.

Wilma Stinson is now training for her title match with Cassius Clay.

Wanda Raber is secretly employed as Ava Gabor's stand-in in "Green Acres."

Patty Mahoney is presently employed as Miss Hathaway's hairdresser.

Gayle Grant is presently employed as Chief Stewardess in American Lunar Excursions.

Jerry Collins is now Queen Elizabeth's personal executive, he is an Australian sheep-herder.

We now find Frank Conroy a BIG BOY. He's a dance director for the June Taylor dancers, he does more looking than directing.

Mike Johnson is now a weight lifter, showing his muscles modeling bathing suits in the North Pole for the Eskimo girls.

Douglas Perkinson: we find is presently running a used camel lot on the Sahara Desert, he has both bench and bucket-seat models.

Roger Rathbun: We see his picture on the billboard advertising "HUMP" cigarettes, sure will curl you up.

We now find George Sherrard instructing kids on the ways of an excellent High School menace.

We see Dave Neiman is directing the New York Philharmonic Beatnik Orchestra.

Dave Willson is presently running Alfred Newman a close race to see whose picture will be on MAD MAGAZINE.

Joe Wood we see is Betty Crocker boy of the month, he won this recognition by singing the prettiest patty-cake song to his little ones.

Park Wood is now working for the government on a secret formula, he is using a formula which will act as a reflector off of his red hair and blind the enemy. That's using your head boy.

Carlile, Wyoming

We are exceedingly proud of our new bull we purchased at the Wallop Sale at Big Horn, Wyoming, Nov. 1, 1965. Also the top heifer carrying the service of Real Silver Crest 2, a sire from the Jack Turner herd--Ft. Worth, Texas.

We are also proud of the record made by our commercial steers and heifers, year after year, whether for 4H projects, seed stock for new herds, or feed lots. They exceed in carcass cut out and the show ring. We have all the records to prove our profit.
